6. Read letter No. L. 4252—L. B. 129-24-5, dated 11th December 1925, from the Secretary to Government, Local and Legislative Departments, with reference to the construction of a bridge across the Bhadra River at Holehonnur, intimating that the cost of the bridge is roughly Rs. 1,64,850 and requesting to obtain the views of the Board (i) how the balance of three-fourths outlay on the bridge is to be financed if one-fourth is to be met from special cess, (ii) whether the District Board will find the whole sum and if so, will it be by borrowing or otherwise and suggesting that in the former case provision will have to be made for interest and sinking fund charges from Board's existing resources and by levying cess and a toll on the bridge, etc.

Also report No. H. C. 105—12-7-26, from the President, Taluk Board, Shimoga, submitting a copy of the resolution of the Taluk Board on the subject.

Resolution.—In view of the fact that the construction of a bridge near Holehonnur is absolutely necessary for improving the economical conditions of that part of the country which is now cut off from other parts of the district by improving the facilities of communication and the earnestness shown by the raiyats of the Holehonnur Hobli who have come forward to tax themselves to pay a portion of the cost and also in view of the unsatisfactory condition of the finances of the Board it is resolved that the Government be requested to construct the bridge and recover the contribution from the raiyats in ten years and that the Government be pleased to accord sanction to appropriate Rs. 10,000 annually
